The screenshot shows the Fortinet Customer Service & Support website. The navigation bar includes Home, Asset, Assistance, Download, and Feedback. The user is logged in as zhanjun so... with a session ID of 245263. The Registration Wizard progress bar shows Step 1 (Registration Code) as the active step. The main content area is titled 'Specify Registration Code' and contains the instruction: 'Please enter your product serial number, service contract registration code or license certificate number to start the registration:'. A text input field contains the value '920125xxxxxx'. A red 'Next' button is located at the bottom of the form.

## 5. 在列表处选择服务关联硬件产品, 或手动输入产品序列号, 点击 Next.

The screenshot shows the 'Specify Fortinet Registration Information' step of the registration wizard. The progress bar indicates Step 2 is active. The form asks for the 'Product Serial Number' and provides a text input field. A red arrow points to this field with the Chinese text '填写要将服务注册的目标设备的序列号' (Enter the serial number of the target device for service registration). Below this, there is a section 'Or Select The Product From:' with a 'Total: 0 Units' label. A table lists two 'FortiGate 110C' products. A red circle highlights the first radio button, with a red arrow pointing to it and the Chinese text '或者可在列表中直接选择目标设备' (Alternatively, you can directly select the target device from the list).
